April 2021

Our new Barton shop is open!

Welcome from the Chief Executive

A busy April with lots happening which is very positive for us after a long lockdown period. The opening of all our retail outlets is worthy of our congratulations as staff have worked really hard to clean and prepare stock. There is some great merchandising across our shops and we offer details of the new Barton shop in this edition.

Thanks to the fundraising team for our first successful car boot and event on the new land, it was a great success.

Thanks to you all staff, volunteers and supporters for your continued support.

Best wishes

Karen Griffiths

A very special artist required

We know we have some very talented artists among our supporters and wonder if anyone could possibly help the family of one of our former patients?

The family is looking for someone to hand paint a box that has been lovingly made by them to hold their loved one's ashes.

The family would be willing to pay/make a donation if a willing artist could paint the box with butterflies and flowers.

Please contact Jenny Baynham via jenny.baynham@nhs.net if you'd be able to help.

Your Opinion Counts...

If you'd like to share your experience with us, please contact us on lh.enquiries@nhs.net, leave a personal message on our social media channels, or phone Jenny Baynham or Lizzie Orwin on 01724 270835.

We thought we'd share a few more with you, so you can see—your opinion really does make all the difference to everyone at Lindsey Lodge! Here are some more examples of what you've said...

I loved volunteering in one of the shops while I was temporarily out of work! Met some lovely people and meant I didn't have a gap in employment. I'd recommend it to anyone.

Absolutely marvelous people, nurses, doctors, cafe workers, everyone. I couldn't have wished for better. Thankfully my sister and I was privileged to be at our dad's side up to the end, we were all treated with great care and compassion, and understanding. I can never thank Lindsey Lodge enough.

I have attended the car boot today as a stall holder. I would just like to say thank you for a well organised event. I hope it's been a success for the Hospice.

It seemed to be very well supported by stall holders and buyers.

I really want to thank you again for the wonderful service you provide. My mum was with you for 10 days in October last year - and I will be eternally grateful for the wonderful care and compassion she received.

This was my first experience of Lindsey Lodge and it far exceeded any preconceptions I may have had. I cannot praise absolutely everything and everyone involved in this serene and comforting safe haven.

I only wish everyone could receive this wonderful environment at the end of life - not only for the patient care but the difference it made to us as a family who were struggling as like many were unable to spend precious time with Mum in hospital after an unexpected fall.

Our hearts still ache, but the truly altruistic experience gave us a peaceful goodbye.

Thankyou all so very much.
