I work closely with care homes, one of which residents recently received end of life care with yourselves.

Whilst I can for obvious reasons disclose no information I would like to take this time to hand over just how grateful the staffing team at the care home are and how wonderful they have expressed your staffing team delivered excellent levels of care for this patient in their last days.

Thankyou for your excellent care provided for those in your care, once again. You are truly appreciated and provide a wonderful service.

Lovely well presented shop. Bought many tops and can't wait to try them.

Really lovely shop and so well laid out. We'd heard great things about this shop and it didn't disappoint.

This is the best charity shop ever, the staff are lovely, friendly and helpful, it's an absolute pleasure to both donate and buy from here. The items are of quality and the presentation is 10/10. It's always a pleasure to shop here. The staff are amazing.

My husband was taken into the hospice a week last tuesday, he died last Saturday very sad day, my heartfelt thanks to the caring staff, he died very peacefully with a lovely smile. Thank you one and all.
