It details all of our events on a month by month basis, we've also included details of all the upcoming events for March at the back of this newsletter.

## Plans to recruit new Trustees

We're set to increase the number of our six-strong Board of Trustees, which oversees the strategic development of our charity.

Lindsey Lodge Hospice Chairman Andrew Horwich said: "This is an exciting opportunity for individuals with the relevant skill set and values who may wish to contribute and support us in delivering our strategic agenda on a voluntary basis.

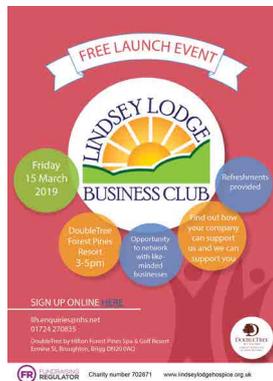

"We are looking for new trustees who can bring a fresh approach, have the vision and commitment to support the continuing development of Lindsey Lodge Hospice and ensure it continues to meet the needs of its local community." [More here](#)

## Happy Birthday Lindsey's Pre-loved Boutique!

Valentine's Day marked the first birthday of our Lindsey's Pre-loved Boutique in Messingham. Our wonderful customers have made this venture a real success and we invited them join us for a slice this delicious cake made by our fabulous Catering Team and enjoy a celebratory 10% off all purchases.

## Launch of new restaurant and retail outlet

On Monday 25 March we'll be unveiling our brand new retail outlet and extended restaurant facility here at the Hospice!

We took the important decision to expand our restaurant and retail facilities, following the success of our Cake Lounge café and shop, which opened in August 2017.

We recently transformed our day care facility into a Wellbeing Centre to increase access to our care for even more local people living with life-limiting conditions, as well as extending the services available to their families and carers.

As more and more people drop into the Hospice to use our facilities, we've decided to develop our traditional dining areas into one modern, comfortable space: Lindsey's Meet and Eat, which will open seven-days a week to cater for our patients, carers and families, as well as the general public. We'll also be introducing a brand new Lindsey's Home and Gifts retail outlet offering a fantastic selection of new and pre-loved products.

We're very excited to reveal the new-look outlets to all our customers and hope you will pop in to take a look!

**Please note that the Cake Lounge will be closed from Monday 18 March to Sunday 24 March to accommodate these changes.**

# Your Opinion Counts...

Thank you to everyone who takes the time to send us feedback by filling in our patient questionnaires, in our comments book, by post, or even via social media.

We thought we'd share a few with you so you can see—your opinion really does make all the difference to everyone at Lindsey Lodge Hospice!

Here are some recent examples of what you've said...

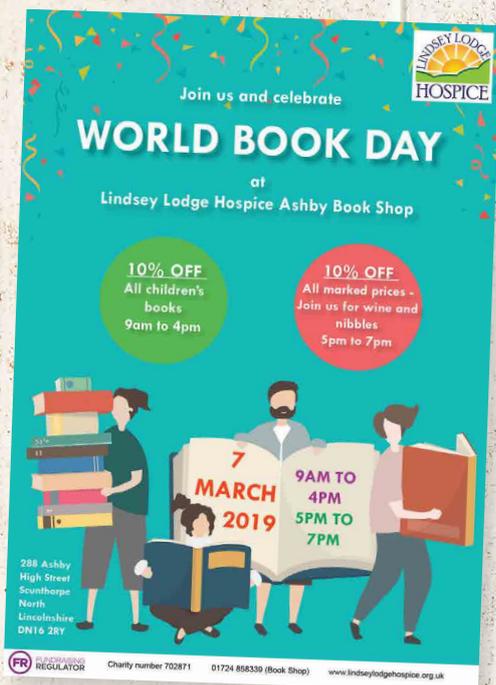

Such a sad time for myself and my sisters but the staff were kind compassionate and cared not only for Mum but us too.. Such a wonderful place with wonderful staff. Thank you for everything you did for us

Came for light lunch with hubby as always lovely staff, very kind helpful, food always excellent. Cakes are amazing!

Thanks to Sally's guidance in the Breathlessness Clinic I did not have to go to A&E at the hospital with my latest asthma attack. I was able to use the 'control technique' learned from her.

After visiting your shop in Brigg, after donating some items. I met the manager of the shop and I was amazed at her passion. Due to this, I then researched your charity. I would love to volunteer for your shop in Brigg if there is any help required
