We thought we'd share a few more with you, so you can see—your opinion really does make all the difference to everyone at Lindsey Lodge! Here is a lovely poem written by one of our Wellbeing patients...

As soon as Dad arrived at Lindsey Lodge it was like a completely different universe! Suddenly we didn't have to fight with anyone for Dad to receive the care he needed. The staff were professional yet caring, nothing was too much. It comforts me to know that Dad's final days were peaceful and I can't thank Lindsey Lodge enough for making that possible

Our boys picked up some bargains this morning with their pocket money, including a brand new, unused, table football set. They were delighted with their purchases!
