# Welcome from the Chief Executive

*I am sure you will agree that this month's edition is packed with news, updates and information and reflects all the work that is happening both in and out of the hospice.*

*One of our most significant changes this month has to be the new dining room and home and gift shop, and our thanks are conveyed to both the catering team and retail teams for their hard work and support in making the launch such a success.*

*My sincere thanks to all our staff, volunteers and supporters for their continuing support!*

Radio Humberside broadcasted live throughout the morning and we were delighted that so many supporters came along to enjoy the first day!

# Your Opinion Counts...

Thank you to everyone who takes the time to send us feedback by filling in our patient questionnaires, in our comments book, by post, or even via social media.

We thought we'd share a few with you so you can see—your opinion really does make all the difference to everyone at Lindsey Lodge Hospice!

Here are some recent examples of what you've said...

Lindsey Lodge is an amazing charity that makes such a difference to people in their most difficult days.  
Big thanks for all that you do.

Many thanks to this remarkable team that day in and day out make this journey of our lives a little more comfortable.

The course was presented and delivered extremely well and kept our attention  
It was clear a large effort had been devoted in the preparation, as the interest was high and efficient  
The content was excellent with reinforcement of Health & safety, coupled with demonstrations followed by guided practice  
The question and answer session subsequently clarified many parts for the attendees  
Overall an excellent refresher course  
(Moving and Handling for Volunteers refresher course presented by Chris Moore)

This support from Lindsey Lodge has literally been life-changing. Instead of being worried about the future, I can now look forward with hope. I still have good and bad days, but I understand my condition better.
