A big thank you to all of the organisations, and welcome to the club!

### Our Business Club meetings are back

It was great to hold our first Business Club meeting since before the pandemic! The meeting was held at The Pink Pig Farm on Tuesday 14 September and we welcomed members old and new.

Being face to face with our members again was fantastic as we delivered talks and quizzes to update everyone on what's been going on at Lindsey Lodge.

Our next Business Club meeting is scheduled in for December, we hope to see you there. Our team will be in touch with more details nearer the time.

Would you like to showcase your workplace and be the host of one of our Business Club meetings? Please get in touch if this could be you, on [llh.corporate@nhs.net](mailto:llh.corporate@nhs.net)

**HOSPICE ACTION WEEK**

**Introducing Hospice Action Week**

We're urging local people to 'go yellow' and take part in our first Hospice Action Week in October.

We have a whole host of fundraising events and activities planned during this special week, coinciding with national Hospice Care Week (4 - 10 October), which aims to raise awareness of the work of the hospice movement across the UK and we'd love for our Business Club members to get involved.

Hospice Action Week is a great opportunity to show support for Lindsey Lodge.

There are so many ways to roll up your sleeves and get involved - all we ask is you wear something yellow while you're doing it!

You can grab your golf clubs and sign up for our Golf Day, put your general knowledge to the test with our Big Quiz, or buy a yellow outfit from our shops to wear it yellow at work. You can also reach Hospice Hero status by planning your very own fundraising project for us.
