Welcome to the seventh edition of the Business Club newsletter

We're celebrating a huge milestone this year as Lindsey Lodge turns 30!

After five years of fundraising by the local community, our day care centre, now known as the Wellbeing Centre, was opened in 1992 by The Duchess of Norfolk. Ten years later, in 2002, Her Majesty the Queen and Prince Phillip cut the ribbon on our 10-bed Inpatient Unit. Here in 2022, we're delighted to be opening six brand new beds, as well as piloting a 24/7 palliative care advice line, called 'The Butterfly Line', which really demonstrates how we've responded to the growing need for our specialist services over the years.

As a Business Club member, you're already part of this important year as we celebrate 30 years of care. In this edition, you'll find all of the other ways we're saying #CheersFor30Years and how else you can get involved.

Thank you to everyone who attended the last Business Club meeting and a special thanks to Cleatham Hall for kindly hosting the event.

Our next meeting is on Wednesday 11 May from 2.30pm until 4.30pm at Lindsey's Meet & Eat, we hope you can join us!

We're celebrating 30 years of care #CheersFor30Years

Lindsey Lodge Hospice & Healthcare is planning a whole host of activities and events to mark its three-decade milestone, and is inviting supporters of all ages to join in with the celebrations, which coincide with its biggest expansion project in over 20 years.

Lindsey Lodge Chief Executive Karen Griffiths said: "After five years of fundraising by the local community, our day care centre, now known as the Wellbeing Centre, was opened in 1992 by The Duchess of Norfolk.

"Ten years later, in 2002, Her Majesty the Queen and Prince Philip cut the ribbon on our 10-bed Inpatient Unit. Here in 2022, we're delighted to be opening six brand new beds, as well as piloting a 24/7 palliative care advice line, called 'The Butterfly Line', which really demonstrates how we've responded to the growing need for our specialist services over the years."

The Burringham Road-based charity has launched a 'Cheers for 30 years!' campaign, with an ambitious £300k target, which aims to encourage local people to get involved with the birthday celebrations and help raise the much needed funds required to run its services. To provide some inspiration, its Fundraising Team have published a '30 ways to support Lindsey Lodge guide' on its website and social media channels.

Karen added: "We hope people will get behind the 'Cheers for 30 years!' fundraising campaign, which will help to ensure we continue to develop and expand our services not just now, but for the next 30 years, and establish Lindsey Lodge as a specialist end of life provider across North Lincolnshire."
