

HM The Queen's Platinum Jubilee

HOSPICE NEWS

May 2022

Welcome...

from the Chief Executive

With Jubilee celebrations well underway we have enjoyed some memory making moments with our patients and families. We have held a party day across 5 days in order that all our patients could participate in the celebrations with a buffet lunch, themed patriotic music and entertainment. Wearing red, white and blue our Wellbeing staff have greeted our patients and treated them like royalty. We have invited families to join us for tea and cake and the best china has been out - many thanks to our volunteers who have assisted and supported these activities throughout the week.

We now turn our focus to our 30th Birthday celebrations and do hope you will join us at our outdoor party on the 18th June at 12pm. The final line up is confirmed: Live music from local bands - Point Blank, The Hedley Brothers, Soul Intentions, Luke Todd, Grace Hobson & DJ Vaughn, Children's fairground rides from Dowses funfair, Performances from Kimberley School of Dance and Tsunami All Stars Cheerleading Squad, Alpacas, pigmy goats and hedgehogs, An amateur dog show, with agility show, Inflatables including an assault course, surf simulator and a dunk tank, Beer tent providing refreshments along with our 30 Cheers Beer and lots of food stalls, A children's soft play area, princesses and characters throughout the day, Fire Engine, Scunthorpe Boxing Club with a boxing ring, display and the under 22 women's world champion Gemma Richardson will be available for photos with her winning belts, Games hosted by Go Ape & Hair glitter, face painting and photo booth.

There continues to be so much happening and this month's Hospice News depicts our highlights, many thanks to all staff, volunteers and supporters for making our organisation so very special.

Many thanks

*Best wishes,
Karen Griffiths*

Jamie Hickson donates 5% of his net profit

A big thank you to Jamie Hickson UPVC LTD for donating £1,120 to Lindsey Lodge. Jamie donates 5% of his net profit each year to the hospice and we are so grateful for his support.

We've received the Healthy Workplace Bronze Award

We're delighted to have received a Healthy Workplace Bronze Award from North Lincolnshire Council, which demonstrates our commitment to becoming a healthier workplace. As a team we became more aware of the importance of wellbeing and mental health during the pandemic and as a result we have taken action, working together across every department to achieve this award. Well done everyone!

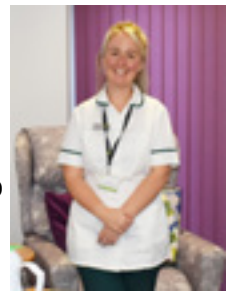

Lindsey Lodge given £20k boost

We've been given a £20k boost thanks to a big-hearted Barnetby-based quarry giant. Lindsey Lodge Hospice and Healthcare are the lucky recipients of the funds after Singleton Birch wavered their fee for a mineral processing trial at their site conducted by Mining Machinery Developments (MMD) for Anglo American Plc. Royal Mail get all dressed up

A big thank you to staff at Royal Mail Scunthorpe who wore Easter fancy dress, raising £65 in support of their colleague who will be braving the Wing Walk in July in aid of Lindsey Lodge!

Yvette pops in to say thanks

Our Wellbeing Team had a special visit from Yvette, whose husband Stuart was a patient at the Wellbeing Centre for 10 months. Stuart sadly passed away in March and Yvette popped in with cupcakes to show her gratitude to the team.

Stuart attended the Wellbeing Centre every Thursday, so yesterday Yvette was able to meet and thank the volunteers that knew him, the Family Support team and some of the ambulance crew who transport patients. Together they shared fond memories of Stuart with coffee and a cake.

Yvette wanted to share her story for our #CheersFor30Years campaign. She said: "I can't thank the team enough, I'm delighted with the care and support they gave Stuart and I."

We held our latest Business Club meeting

Jenny's story

Jenny McDonough (78) was diagnosed with Oedema ten years ago, which causes a build-up of fluid in the body, causing affected tissue to become swollen.

Jenny said: "Before I came to Lindsey Lodge I was really struggling with the swelling and pain on my legs, they had got particularly worse during the pandemic.

"When my GP first mentioned the Hospice, I wasn't sure what to expect, but from the first moment I walked in, everybody was absolutely wonderful, they're all so kind and helpful!

"My quality of life has dramatically improved since attending the Lymphoedema Clinic at Lindsey Lodge. When I first attended my appointments, I had to come into the hospice building in a wheelchair, whereas now I'm able to walk myself in.

Spotlight on our ACPs

To celebrate 30 Years of Lindsey Lodge, we're shining the spotlight on how our end of life care has evolved. Lindsey Lodge provides advanced nurse and therapy-led care through our two ACPs Occupational Therapist Sarah Hodge and Nurse Karen Parkes, whose education, knowledge and skills have enabled them to expand their scope of practice to work autonomously. Our ACPs aim to support individuals to transition from acute services, but above all to enable individuals to access high quality palliative and end of life care. More [here](#)

Your Opinion Counts...

If you'd like to share your experience with us, please contact us on llh.enquiries@nhs.net, leave a personal message on our social media channels, or phone Jenny Baynham or Lizzie Orwin on 01724 270835.

We thought we'd share a few more with you, so you can see—your opinion really does make all the difference to everyone at Lindsey Lodge! Here is a lovely poem written by one of our Wellbeing patients...

I found all the staff at Lindsey Lodge to be very kind and welcoming, willing to answer my questions and help me develop my learning, knowledge and skills. Despite being busy they took the time to explain everything to me. From a personal point of view, I'd like to thank each one of them.

Professionally, I cannot praise your staff enough. The way they dealt with every patient was impeccable, showing great kindness, compassion and empathy at all times. Their professionalism is second to none. The nurses are all excellent role models for a student nurse and a credit to the hospice.

I still cannot thank you all enough for what you did beautiful people inside and out xx

They gave my big Beautiful Sis the dedication love and care she so needed, Thank you doesn't cover how I feel to them, Angels in disguise

When my grandma had been diagnosed as needing end of life care, there were no beds available at the Hospice, so she was sent to a care home very close by.

Although we never came to the Hospice itself, members of staff would call the care home each and every day to check in on my grandma, see how she was and advise on the best care for her.

Even when she was being looked after elsewhere, the Hospice staff wanted to make sure she was as comfortable as possible – and this meant the world to us at such a difficult time
