April 2019

Spring events are a success!

# Welcome from the Chief Executive

*April seems to have passed us by really quickly with a burst of hot weather over Easter, which was very fortunate for our Easter Fayre.*

*This event was particularly enjoyable for us as we welcomed lots of families and saw new supporters that hopefully will continue to learn of our work and engage with us over future years.*

*Thank you to everyone who attended the event, as well as our Art Exhibition and Sale at Scawby Village Hall.*

*Here is a round up of everything that's going on in and around Lindsey Lodge Hospice - we hope you enjoy reading about it!*

*Best wishes*

*Karen Griffiths*

Congratulations to Inga from our catering team who won!

## Our second Art Exhibition and Sale raises thousands!

Our second Art Exhibition and Sale has raised £5,900 for the Hospice.

Over 400 individual pieces by local artists, photographers and crafters were exhibited at the sell-out Art Exhibition and Sale held by at Scawby Village Hall on Saturday 13 and Sunday 14 April.

Event organiser Peter Dennis said: “Thank you to everyone who attended our event, we’re delighted it was such a huge success!

“We’d also like to pay tribute to all of the talented artists who generously donated either 25%, 50% or 100% of the total proceeds of each of their sales in support of Lindsey Lodge Hospice.

“Every penny they’ve donated will go towards providing our specialist palliative care to the people of North Lincolnshire.”

In addition to the exhibition and sale, guests were able to bid in a silent auction to bid for two paintings donated by renowned local artist Dennis Nash, as well as a raffle to win a commissioned painting by this year’s featured artist Carol Hudson.

Peter Dennis added: “This event just gets bigger and better each year and has become a major event in the art calendar, giving local people a fantastic platform for sharing their work.”

## British Steel donation helps garden bloom

Lindsey Lodge is set to benefit from the creation of a new garden after it received the biggest single business donation in its history from British Steel.

The new garden will give patients and their families at Lindsey Lodge Hospice an opportunity to spend time together in beautiful surroundings. For the first time it will also provide a dedicated area where bereaved families can go to remember their loved ones.

British Steel is investing almost £25,000 in the project from its Landfill Communities Funding scheme. In addition to this British Steel's apprentices are working on a steel sculpture which will provide a focal point for the garden. [More here](#)
