# About Us

Situated in the heart of North Lincolnshire, Lindsey Lodge Hospice and Healthcare has been providing high quality, specialist palliative care and wellbeing services to local people and families living with progressive life limiting illnesses, and at the end of life for over 30 years.

Every year, our dedicated team of staff and volunteers touch the lives of hundreds of people, either directly as patients, or by supporting family members or carers, before, during and after one of the most difficult times in their lives.

We are passionate about providing the best possible services to meet the needs of our patients and their loved ones. We value an holistic approach, ensuring to care for the physical but also their emotional and spiritual needs.

The need for our compassionate care at Lindsey Lodge Hospice is growing, and we are here to help. Our dedicated team provides specialist support and counselling for people with a wide variety of conditions, not just cancer. This includes serious cardiac or respiratory issues and neurological conditions such as advanced motor neurone disease. We are also able to help patients with additional needs, including those with mobility problems, and dementia.

# Our Memorial Tree

## A beautiful setting for quiet contemplation

Every leaf on our beautiful memorial tree tells a unique and personal story, representing a life well lived and loved. This isn't just a tree; it's a living tribute, a place of peace where you can remember and reflect on the cherished memories you hold.

By purchasing a leaf, you are not only honouring your loved one's memory but also helping to ensure that their name lives on. Many people find a deep sense of fulfilment and relief in knowing they have done something special, that their loved one would have appreciated.

The funds raised from the tree will go directly to supporting the vital work of Lindsey Lodge Hospice, ensuring we can continue to provide compassionate care for those who need it most. Your contribution helps us to create new memories for other families in our care, making this memorial tree a powerful symbol of hope and remembrance.

The memorial tree is thoughtfully placed within the gardens of Lindsey Lodge, offering a serene setting for quiet contemplation. Our gardens are a special place, designed to provide comfort and peace, and we invite you to visit whenever you wish. Whether you want to sit and reflect, share a story with a loved one, or simply enjoy the peaceful surroundings.

# Every Leaf Tells A Story

**Harold Lazenby**  
**1940 – 2023**

***"I have always felt there should be something at Lindsey Lodge where I could honour the memory of my wonderful father. I struggle to go to his grave, but having a place here I can go where I feel more connected to him means the world to me"***

Harold Lazenby lost his battle with kidney disease at Lindsey Lodge Hospice in June 2023. After Harold and his family were told dialysis was no longer working the family began to look at the palliative care options available. They were concerned about managing his pain at home, and so were invited to come and look around Lindsey Lodge Hospice. Harold's daughter, Carolyn, recalls feeling a sense of immense relief the moment she walked through the doors. The friendly and welcoming atmosphere immediately put their minds at ease, and they swiftly arranged for Harold to be admitted.

Carolyn can't praise the hospice staff enough for the compassionate care they gave to Harold and the entire family. They helped them navigate their unimaginable grief from the moment they arrived. On 11 June 2023, surrounded by his family, Harold passed away peacefully.

In the time since, Carolyn has dedicated herself to giving back to Lindsey Lodge as a way of thanking them for their support. She has taken part in the annual Glow Walk and Light Up A Life events. Carolyn bought a leaf on the hospice's tribute tree in memory of both Harold and her mother, Daynell, who sadly passed away just six months after her husband. Their names now rest together on the tree, a place that holds a special meaning for the whole family.
